				Jul-29	___			Sep-30	___		

Fees and Rules

Non-profits may apply for the free use of 10'x 10' EZ UP canopy tent two Saturday's per month on a first-come, first-serve basis.

The Market opens promptly at **9 AM** each Saturday. Participants are expected to be completely set up no later than **8:45 AM**. Set up begins at **7:45 AM** day of the Market. Participants are expected to remain open for business until close of Market (1 PM).

- Vendors are expected to arrive on time and are expected to remain open for business until close of the market at 1 PM. Arriving late or leaving early without prior approval will result in a violation. First violation is a verbal warning, Second, is a written warning, Third, the vendor will be asked not to return for One Month. If after the third violation the vendor arrives late or leaves early without prior approval, the vendor will no longer be allowed to participate at the market.
- Vendors not able to attend a reserved market day are expected to contact the Market Coordinator no later than 5 p.m. the Thursday before participation. No-show vendors who fail to notify the Market Coordinator by this deadline will be issued a verbal warning.

Each participant is responsible for cleaning vendor space/tent area before leaving for the day. Please bring your own trash bags and take them with you.

Participants are to provide their own signage, pricing and attractive displays of items. Table coverings are requested to be used.

Prepared Food

Cooking of food on the premises of the Market is not allowed by vendors. Non-profit organizations may request permission to sell certain approved foods (prepackaged baked goods, donuts, hot dogs, chips, bottled water and canned soda) for two Saturday's per month on a first-come, first-serve basis. Reservations are required in advance from the Market Coordinator. Organizations will be provided a tent but must supply their own equipment, tables and chairs as needed. Prior approval and scheduling is required at least one week in advance with the Marketing Coordinator, space permitting.

Weather

The Market tents will not be used in steady rain or wind speeds 15 mph or higher. If extreme weather conditions exist, the best interest of both the market and patrons will be considered and the event may be canceled. If the Market tents aren't used the market may still go on depending on the weather for that day.

Liability is the responsibility the vendor. Elizabeth City or the Downtown Community Market assumes no risk by the acceptance of this agreement. I have read and agree to abide by the Rules of the Market and understand that these standards are required and that quality is expected.
